

October 5, 2022

It is that time again when we are starting to think about our Holiday Caring Program.

The Center's goal is to make sure that all our friends and neighbors in the South Glens Falls School District who are in need will receive help. Last year with your help (time, monetary donations, and assistance with gifts) we were able to provide much needed help.

For Thanksgiving 195 meals (45 elderly, 51 adults, 99 children) and for Christmas 119 families (45 elderly, 169 adults, and 134 children) for a total of 348 with food and gifts for children

The time has come again; let's band together to lend a helping hand to our neighbor.

Attached is the "Dates to Remember Form" should you wish to contribute this year.

Sincerely,

Rosemary White
