Dear Friends,

The Moreau Community Center's goal is to try to make sure that all our friends and neighbors in the South Glens Falls School District who are in need will receive help this holiday season.

Last year, with your help (time, monetary donations, and assistance with gifts), we were able to provide many families with a great holiday experience.

With the holiday season just around the corner, let's band together again to lend a helping hand to our neighbors.

Please find attached the "Dates to Remember" form should you wish to contribute again this year.

Thank you for your continued support of this worthwhile program.

Sincerely,

Rosemary White
